SIPADAN - MALAYSIA

16-26th April 2009

REMOTE & SPECTACULAR DIVING HOLIDAY!!

Join Ocean Explorers to Sipadan, on the east coast of Malaysia for some world class diving. This area is well known for its variety and abundance of marine life and schools of game fish, barracudas, jacks, fusiliers and batfish. Shark species like hammerhead and whitetip reefsharks are often seen as well as hundreds of turtles that use Sipadan as their breeding ground. This area is famous for its spectacular wall diving and sightings of special rare animals such as frog and leaf fish, which makes this destination an underwater

photographer's dream! The Sipadan Water Village is built on ironwood stilts over shallow pristine reefs, the ultimate in luxury, comfort and relaxation.

The tour includes the following:

- Return International Flights from Johannesburg to Kuala Lumpur.
- Return Domestic Flights to Tawau
